

# FORM TOOL TECHNOLOGY

Ultra Precision, Ultra Performance, Ultra Consistent

## Manufacturers of Precision Hi-Performance Rotary Cutting Tools for Metal Working Applications

### Our Capabilities:

- Cutting Tool Design
- Cutting Tool Manufacturing
- Close Tolerance Grinding ( $\pm 1\mu\text{m}$ )
- In-house PVD Coating
- Surface Finishing
- EDM Machining
- "Blue Streak" service - \*\*48 Hour Turnaround\*\*
- Application Engineering
- Tool & Process Optimization
- Cutting Tool R&D / Testing

### About Us:

With nearly 50 years in the special rotary cutting Tool industry, Form Tool Technology has evolved into an industry leader with our Three "U's" motto

*(Ultra Precision, Ultra Performance & Ultra consistent)*

Our 2- Manufacturing locations and 30+ CNC grinding machines allows FTT to respond promptly to all our customer needs. We believe in process optimization - which includes design, build & application engineering.

We just don't promise - we build, deliver & support.

**\*\*Blue Streak\*\* service is offered for stocked Carbide rods - Expedite charges apply**

## Our Product Lines:

- **Micro-Tools - Drills, End mills , Reamers, Step & Form Tools**
- **IncrediMills Line up - Variable Helix - Variable Index with our new Double Coating for 50% tool life Available in Square end - Radius - Ball nose**
- **IncrediDrills Line up - Coolant Fed & non-coolant solid carbide Hi-performance drills**
- **Recess, T-Cutters, Undercut Tools**
- **Hi-accuracy Porting Tools**
- **Dove Tail Form & Shave Tools**
- **Carbide Form, Chamber, Step and Standard Reamers**
- **7- Axis CNC Controlled Tool Reconditioning**
- **Blue Streak - Emergency Expediting Service ( 48-Hour Turnaround )**
- **In- House PVD Coating Facility**
- **Wire EDM Manufacturing (Electric Discharge Machine)**

## Quality / Certifications:

- **ISO 9001 Certified(SC)**
- **CNC Automated Inspection Processes**
- **Video Inspection**
- **Laser Inspection**
- **In-Process Machine Gaging**

## Two Locations To Serve You:

### ◆ South Carolina Facility

121 Pontiac Business Center Dr.  
Elgin, SC 29045  
P: 803.788.3686  
F: 803.788.3650

### ◆ Pennsylvania Facility

5174 Commerce Dr.  
York, PA 17408  
P: 717.792.3626  
F: 717.792.2687
